

September 30th, 2020

Greetings to all Tribal Members:

My name is Richard Henriod and I am running for the 2020 Tribal Election for Business Council. I served on the Business Council from 2010-2013, 2014-2017 and 2017 to current day. I would like the opportunity to serve again.

I have been residing and working on the reservation for many years now and will continue to do so for many years ahead.

During the time I served, the Council has made a lot of progress. It takes a good POSITIVE COUNCIL to move forward.

My hope is to continue to serve on the Business Council making wise decisions in providing needed services to our tribal people. Thank you.

Sincerely,

Richard Henriod
