My Name is Doyle Pete, Son of Darnell Pete. I am a tribal Member of the Confederated tribes of the Goshute Reservation.

I was raised and lived here in Ibabah most of my life. I have been working for the Goshute Housing for several years and various jobs for the tribe.

I have submitted my name for a seat on Council this year. I want to learn and try my best to be there and get projects done that need finished.

I am open for any suggestions that anyone may have that needs attention to the Council.

One goal I would like to see is to have the Upper, lower Reservation and 8 mile all combined as tribal land. This was a dream that our grandfathers that was on Council long ago wanted to happen.

This would keep the public Hunters out and also benefit the tribe and safer for the tribal residents.

Thank You. Vote for me...
