

Hello,

Goshute Tribal members most of you may know me, but those who don't my name is Jacob Lewis Steele. I'm a member of the Goshute Confederate Tribe as well served as your Vice Chairmen for two terms. My parents are Veltha Bluebird and Thomas Garza but raised by my grandparents Robert Steele and Florence Pete Steele. For this year term I will work hard as Vice Chairman and let my voice be heard. For behalf of the people to let my voice be spoken out for our tribe. To protect our resources and everything that's around us. Since people have used our tribe for the benefits. Which as councilman may not have all the answers to all the work. But as a tribe and community we must work together as one, to be strong and cooperative to achieve our goals. Not only I stand as a candidate, but as a member I will be honest with you through the challenges we will face as tribe to communicate. Never listen to secondhand news about me. My door is always open to listen to what you have to say. Ask me anything I don't have anything to hide and no reason to lie. I'm fair with everyone and treat everyone as equals. I have done a lot for the tribe that has not been told. In the end I'm very strong when it comes to the tribe and for the people. I hope you consider me as a candidate for this year term. Thank you for your time.

Sincerely Jacob Steele
