

BEHAVIORAL HEALTH THERAPIST- SUBSTANCE USE DISORDERS (SUD)

As an entity of the Confederated Tribes of the Goshute Reservation, we, at Sacred Circle Healthcare, preserve the Goshute heritage of protecting and caring for family and extend the tradition to all marginalized and underserved populations in our area. We refuse to let access, ethnicity, or socioeconomic status restrict someone from receiving complete healthcare.

Interested in joining our team? We are looking for people who are genuine, kind, ambitious, positive, and helpful - exceptional people building on a celebrated heritage who are passionate about delivering uncompromising care - people who make a difference every day no matter what their role or position. If you are looking for a job where the work you do impacts lives for the better every day, you are in the right place!

Sacred Circle Healthcare is seeking a full-time Behavioral Health Therapist- Substance Use Disorders (SUD) for our Main Clinic in Salt Lake City, Utah.

Job Summary

Overview: Licensed mental/behavioral health provider to serve/address clinical and other needs for “guests” of the outpatient recovery clinic (substance use disorder treatment). This position is in the Sacred Circle Healthcare Main SLC Clinic, located on the first floor.

The Behavioral Health Therapist works within the Agency Interdisciplinary Team and is responsible to provide therapy services for outpatient recovery patients seeking services in three primary domains:

- 1) Seeking stability and recovery from substance use disorders
- 2) Increasing access and engagement to internal and community resources/services to aid in recovery efforts
- 3) Increasing guest’s life stability and overall wellness

Reports to: Practice Manager

Contact: Mark Wiesenberg, markw@sacredcircle.com, 801-359-2256, ext. 177

The successful candidate:

1. Leads a “Service Team” including Care Coordinator(s) and others responsible for advocating and supporting the needs of SUD Clinic Guests and SCHC patients.
2. Participates in the education and guidance of 2-3 social work practicum students.
3. Conducts mental health and care plan assessments.
4. Provides Individual, Group and Family therapy sessions as clinically indicated.
5. Coordinates with care providers regarding medication and other physical and mental health needs.
6. Provides behavioral health interventions related to a variety of needs including, but not limited to substance use, medication compliance, smoking cessation, etc.
7. Provides therapeutic and other interventions to address identified needs.
8. Creates case conceptualization based on appropriate diagnosis and best treatment standards.
9. Completes Treatment Plans and Treatment reviews at agreed intervals in compliance with Agency standards.
10. Completes notes and reports in a timely manner (within 48 hours of visit for notes).
11. Prepares and presents outreach presentations as required.
12. Participates in the development of mental health programs to further the health and wellness of the community we serve, as assigned.
13. Participates in community outreach projects conducted by the clinic when assigned or available.
14. Participates in weekly supervision meeting and other staff meetings as scheduled.
15. Responsible to maintain licensure.
16. Other responsibilities as assigned.

Required Education, Experience, Knowledge, Skills, and Abilities

- EDUCATION: LCSW/CMHC (licensure preferred), CSW
- EXPERIENCE: 2+ years clinical experience in the field of SUD preferred.
- REQUIREMENTS:
 - a. Experience in working with vulnerable populations.
